Section-2

This consent form applies to the application of a Membership in the Hay River Shooting Club. It also serves as a consent for regular club maintenance activities. Some of which include club fund raising in "Family Friendly" fund raising events, clean up work parties, and club asset maintenance and renovations.

This consent form does not give the youth shooter the consent to shoot in any Hay River Shooting Club sanctioned or non-sanctioned events or practices. A separate consent / waiver form will need to be completed prior to any shooting activity at the Hay River Shooting Club facilities when the youth is participating as a Hay River Shooting Club member. In the case where the youth shooter is participating as another Club or Organizations member at any Hay River Shooting Club facility, then the Other Club or Organization has to administer and provide the event waiver for that youth.
